I'm an experienced UI/UX Designer with two years of diverse industry experience across three companies. Successfully completed over 30 projects spanning various industries. Proficient in creating intuitive and visually appealing designs that enhance user experience. Skilled in collaborating with cross-functional teams to deliver impactful solutions.

Experience

Dextersol / UX/UI Designer

JULY 2023 – PRESENT

As a UI/UX Designer at DexterSol, I spearheaded the creation of intuitive interfaces for over 20 projects spanning diverse industries. Working closely with clients and our team, I ensured that each design met project objectives and exceeded user expectations. My responsibilities included conducting thorough user research and prototyping to refine our designs for optimal user experience.

Mudirr / UX/UI Designer

MAR 2023 – JUNE 2023

At Mudirr, I undertook responsibilities across three projects. This included designing user interfaces that aligned seamlessly with project requirements, collaborating closely with team members to ensure client expectations were met.

Coding Age / UX/UI Designer

AUG 2022 – FEB 2023

At Coding Age, I played a pivotal role in the education sector, contributing to various projects aimed at enhancing learning experiences. In addition to my design responsibilities, I took charge of managing and crafting engaging social media posts to promote Coding Age's initiatives and reach a wider audience.
